SCENES FROM A CAPTURED NAZI NEWSREEL.

The Fuehrer's clasp of death --- for a King who betrayed his people into Nazi slavery. Boris of Bulgaria on his untimely visit to Berlin --- a sorry picture put out as Nazi propaganda . Boris goes to Hitler for help --- but the only help he gets is death --- reputedly at the hands of an assassin. How different the role of Denmark's King Christian --- beloved by his subjects --- the ageing Monarch remains deaf to Nazi overtures. This picture intended to show the happiness of Denmark under Hitler's new order. Actually it proves only the undying devotion of the Danes for their valiant leader.

Since this picture was taken, ~~Recently~~, ~~when~~ demonstrations flared into open revolt against the gangster's plundering, and Christian and the Royal Family are reported under arrest as the Danes still defy their temporary masters.
