'Marriage is the greatest and oldest partnership in the world that it enables people whose dispositions and temperaments are exactly opposite to each other to live in perfect harmony (applause) for fully 50 years. For obviously my wife and I have differences.... one of us is intentionous (laughter) trump, stormy)- that's my wife (laughter). Then there's the other partner - placid, calm peaceable and patient - that's me (laughter & applause).
