SV "The President has done my country the great honour of coming to greet us on arrival. His action in meeting His Majesty's Ship King George V will be tremendously appreciated in Great Britain and in every part of the British Empire.

SCU I have come here, as a member of the British War Cabinet, serving as His Majesty's Ambassador, to make known to the Government and people of the United States from time to time in what ways, if they are willing, they can best give us the help we need. The more quickly that your generous help can be made effective, the sooner
