1.	The story is around a new style of hairdressing as used by the star in the above film. The whole set up is obviously a good publicity stunt for our company.				
2.	The first two modelson the stage are the girls who are having their hair altered from one of the older styles of hairdressing to the new style. One see's the long hair being cut to make way for the new style.				
3.	The next two models are girls who have had the first cutting & set, and (if in focus) we see (if correctly exposed) the final touches that go to make up this amazing, pleasing, seductive, unbelievable, & attractive coiffure, or as Bob Hope would say. a smasher.				
4.	After this on the stage there is a parade of various types all displaying the above type, of hairdressing with slight modifications to suit the individual, even to the meadow lady with a nose of the type, HITLER does not tolerate. Finally we see on the stage, the first two models, who been done back stage, completed.				
5.	This was in an approximate way the order of shooting.
