

MOSSADEQ FACES TRIAL

Ex-Premier Mossadeq prepared his lengthy defence for weeks before the trial. Pyjamas seem to be his favourite dress. The Court sits in the Hall of Mirrors at Sultanatabad Barracks, near Teheran. With a coat over the pyjamas Mossadeq seemed calm. He challenged the ~~competence of the Court~~ and railed against the British. The 17 charges ~~against him~~ include high treason and trying to overthrow the Shah's regime, ~~which he nearly succeeded in doing~~. A strange man, up against it at last.
