

PREMIERS HERE FOR COMMONWEALTH CONFERENCE

20

Much was going on at number 10 Downing Street. ~~Now~~ Sir Winston Churchill was host to Commonwealth Ministers, most of them Premiers, who are attending the Commonwealth Conference. They met the newsreels and other members of the Press first. Sir Winston showed them a postal order for five-shillings he has had framed. It was sent ^h last birthday by an old age pensioner ~~to~~ Mr. Mohammed Ali (Pakistan) with Mrs. Pandit and Mr. Nehru. Mr. St. Laurent represents the senior Dominion. Mr. Swart is from South Africa. High on the agenda is the Formosa crisis. How fortunate ~~that~~ that Commonwealth statesmen are together at this time.
