

## THE GREAT WEDDING: MONACO EXCITEMENT GROWS

The Principality of Monaco is the focal point of world wide interest. Only a few days remain before the most romantic New World 's sweetheart, wedding of modern times at which the ~~Princess Grace Kelly~~, Grace Kelly, will become the bride of Prince Rainier. His Highness's Palace is being spruced up in readiness for the Princess for whom Monaco has waited so long. Nobody talks of anything but the Royal marriage. Tourists are already pouring in; as for the Press they will have a building all from to themselves, ~~in~~ which 1500 journalists and cameramen will send the story of the fairy tale wedding all over the world. Unlike so many big stories this one will have universal appeal...~~\*~~ Down in the harbour lies the Prince's yacht, 'ready for a honeymoon voyage.
