

## SCOTLAND DRAW WITH AUSTRIA

20 Austria, in white ~~jerseys~~<sup>shirts</sup>, were ~~Scotland's~~<sup>A</sup> visitors at Hamden Park, with George Young leading ~~his men~~<sup>Scott's</sup> on to the field. Big Georgie lost the toss so Scotland kicked off optimistic that they would obtain a well earned victory, much overdue against Austria on this famous ground.

52 Things looked bright for Scotland when a goal came after only eleven minutes. The brilliant Hearts inside-right, Conn, scored from twenty yards out.

77 But what a short-lived triumph. Only two minutes after Conn's goal the Austrian inside-right Wagner lobbed the ball over Younger's head into the net.

125 So the second half began with the score at one-all. ~~\*~~ Even Scottish fans began to admit that Austria might have won convincingly but for poor finishing and rank bad shooting.

140 When the unimpressive second half ended it was still a draw, one-one.
