SECRET

It has been suggested by Mr. .... that Colonel Nasser is prepared to compromise with the West, now

It depends on what you mean by compromise.

Well, he is prepared to sort of consider ~~then~~ some form of international authority over the canal.

Well, there couldn't be any compromise for independence and sovereignty.

He wouldn't allow any form of international authority over the Egyptian affairs or Egyptian control over the Canal?

No.

The only ~~human~~ grounds you say you are prepared to accept are your own terms for settlement of this problem?

Yes.

You are not prepared to compromise in any way?

--Break it up now--
