HUGH RUTTLEDGE.

~~He~~ an exclusive interview with Mr Hugh
Ruttledge, who lead this season's Mount Everest Expedition.
~~Mr Ruttledge thinks he is too old to say again, but~~ ^{HE} tells us
some of the perils of Everest.

Now we leave snow-capped Everest to go to the
Hot-Springs of Yellowstone Park, where America has ~~just~~ just
inaugurated an Air Service. Awe-inspiring scenes such as
Yellowstone Falls can be seen below. The Hot-Springs roar a
Welcome from this enchanted garden of nature to the modern day
~~sky~~ wonder - the luxury air liner.
