

FRED ASTAIRE.

The Normandie brings to England the famous film star, Fred Astaire and his smile. After presenting autographs to admirers, Gaumont British News managed to get a few words from this rather shy star.

SEA LIONS.

Sea Lions arrive at their new home - the Chicago Zoo. They seem very bad tempered about something - perhaps the water is ~~was~~ too cold. Now mother goes in to try and keep order. Finally the pelicans join in, and our Cameraman enjoys the fun until the sea lions try to wreck his Camera.
