St Moritz --- under the captaincy of F.J.McEvoy, Britain won the World Four Man Bob Championship. The crew consisted of McEvoy, D.Looker, C.P.Green and B.H.Black. British prestige is leaping mountain-high at this winter sports game, and this win serves to drive it home. Germany second, America third and Switzerland fourth --- well done, Great Britain!

SRRIN --- BILBAO BARCELONA AND MALAGA.

The war in Spain drags on --- despatches from Oviedo, Bilbao Barcelona --- all carry their story of this seemingly endless struggle between brother and brother. Our cameramen in the firing line send back these grim pictures of the open warfare ~~between~~ of Government troops and insurgents. / Malaga has fallen --- ~~As the~~ stream of refugees leave the city Franco's soldiery enter in triumph to the rattle of horse and harness and the cheers of victorious troops, ^{as the refugees leave} Many scenes of dead and wounded we have omitted because they are too horrible. These of a ruined beauty spot and holiday resort --- these are more than enough.
