

MEDALS AT CATTERICK.

329

This parade of the Cheshires at Catterick served a double purpose. It commemorated the 94th anniversary of the battle of Meeanee, in India, and it was made the occasion for honouring heroes of modern times. After inspection by Colonel Crookenden D.S.O 16 of the second battalion were presented with medals for gallantry during their ^{recent} service in Palestine.

COVENTRY v W.B.A.

Coventry took the field first for their home tie against West Bromwich, ~~Albion~~, followed by the white-jerseyed Albion men ready to do battle for the fifth round of the Cup. The huge crowd watched a game that had all its thrills packed into the second half. There was no score at all in the first period --- and in the second Coventry put two in the net and West Bromwich replied with three --- so ~~the~~ the Albion passed on one stage nearer Wembley.

SUNDERLAND v SWANSEA.

Sunderland came out first for their match against Swansea at Roker Park, while ~~xx~~ the Welshmen completely in white looked almost like an English Rugby side, though I don't suppose they wanted to look like that. Near the beginning of the match there was a goal that was disallowed, but there was no real score in the first half. In the second period the big ~~xxxxxxx~~ northern team went ahead and gained a lead of three goals to nil --- so it was well played Sunderland --- hard luck Swansea!
