

SHIP RESCUE.

341

Mid-Pacific --- a thrilling rescue at sea caught by the camera
--- a fire starting in the hold of the British Freighter Silver Lodge
might have proved fatal for many of its passengers but for the timely
arrival of the United States cruiser Louisville. Escorted back ~~to~~ by
ship's boat to the man o' war, the rescued men and women were taken
on to Honolulu --- a sea drama that had a happy ending.

FACTORY DYNAMITED.

Grafenhainchen --- Army pioneers practised dynamiting and an
old factory had to play the part of the innocent bystander. See what
ruin war can bring. But now see what sweet music can do.
