~~Stars of the stage and screen attended this~~ garden party which  
aids the Actors' Orphanage..... a worthy cause to which Sydney Howard  
among ~~many~~ others, lends his help. Also Robertson Hare --- and the ~~ix~~  
ladies are represented by Florence Desmond and Evelyn Laye. Top hats  
were worn you notice by Leslie Banks and of course by the host,  
Noel Coward. ~~At this affair, Mr. Coward is the centre of a~~  
~~very large crowd. And our American correspondent sends us a few~~  
~~celebrities also~~ --- opening the Hollywood Turf Club we find Dolores  
del Rio and Mr and Mrs Jack Warner. Of course you recognise Franchot  
Tone and his wife Joan Crawford. Warner Baxter was ~~there~~ with William  
Powell and there's Claudette ---- after all those stars you don't want  
to see the race and Eddie Cantor wished he couldn't. That night  
the Ritx Brothers spoke on the microphone.
