As a proof of the efficiency of a great service, here is the Air Display at Gatwick. Hundreds of planes took part, and many them thousands of people went to watch the detil addite Force flying. In fact absolutely everybody was there including the G.B. News commentator. in an allow and a set piece while anti-aircraft gunfire got to work. <sup>H</sup>onours were even. The guns blew the planes out df the sky and the planes blew up the set piece.
