

QUEEN MARY RECORD.

Eighty-one thousand tons of luxury liner ~~EXAMEXKAEINE~~ came racing across the ocean from America to beat the Normandie's world record by one hour 14 minutes. The Record for the outward trip had already been gained by the Queen Mary --- thus she is truly Queen of the Atlantic. It was stated that the newsreels were prevented from securing an interview with the captain; but Gaumont British News now gives you an interview with the Captain --- Commodore Irving.

GEORGE LANSBURY.

Mr George Lansbury left Victoria Station as a missionary of peace. The famous Labour ^{M.P.} ~~leader~~ ~~to be called not as a politician~~

~~XXXXXXXXXXXX with determinedXXXXXXXXXXXX present~~

Went with the determination

~~but~~ as an ordinary citizen determined to spread the gospel of peace among the leaders of war-conscious Europe.
