

CHRISTMAS PIE.

506

It's about time somebody said Christmas is coming, so we'll get in first before you get sick of it.. Christmas means Christmas Pudding and also Christmas Pie. This little magazine costs only sixpence; in it are contributions from the most famous authors and artists --- and all profits go to the King George V Jubilee Trust Fund to bring happiness to youth. If you buy a copy of Christmas Pie you will be carrying out the wish of our late beloved Sovereign.
