VARSITY RUGGER MATCH.

Cambridge came out first at Twickenham, and as usual a big crowd was there to watch the game. The Dark Blues were popularly expected to win --- but once again the prophets were dumbfounded. There were no complaints on the score of lively play --- from the first whistle it was a case of brilliant rushes being brought to a standstill by vigorous tackling. Unfortunately there were too many penalty kicks --- Oxford were the first to score three points through Watts. More play in the first half gave another penalty kick to Oxford - and again Watts put it over the bar. Then it was the Light Blues' turn --- Geddes made the score six - three.

Oxford held a three-point lead for fifteen minutes in the second half --- then the Light Blues broke away --- Bruce Lockhart went over the line for Cambridge --- 6 points all - Geddes converted and Cambridge won 8 - 6.
