INVENTIONS EXH.

This years inventions Exh is at the Horticultural Hall has lots of natty gadets for making a women's job much easuer. and you needn't have a sweep any more - father can pull down the soot on the carpet himself. If he does mother can only use the reserver broom and floor scrubbing becomes a pleasure. Fill it with beer and use it for a tooth brush. The toating ~~toasting~~ folk enables you to burn two pieces of toast at the same time. The golf club is adjustable and can be used a driver. putter, iron, mashie or niblick. If you loose your temper and smash this club take up tarts. This keeps a crease in your trousers and is cheaper than a blonde, can also be borrowed by anntie when her bridge work give out. Carpefruit eaters will be glad to learn that the problem of juice squitting is solved. Use the juice guard and keep your eyes open for reading the newspaer. Lastly, an invention for motorists - front wheel and back wheel steering enables you to knock down a different pedestrian with each end.
