

FRENCH PARLIAMENT. 592

France --- M. Lebrun paid a visit to Montelimar for the ~~un~~ unveiling of a statue to one of his predecessors --- M. Emile Loubet who was President in the early years of this century. And we take this opportunity of expressing congratulations to M. Lebrun on his own re-election to the Presidency. Only once before has a President been re-elected --- ~~it is a rare thing for the only man to be re-elected at the present time.~~

LORRY SMASH.

London --- Buckingham Palace had an uninvited guest --- a lorry skidded on the wet road and ~~was~~ tried to make an informal entry through the garden wall. It's a good job it wasn't summer time when the garden parties take place because the driver didn't have his top hat on.
