AMERICAN CLIPPER AND LORD LOTHIAN.

The arrival of the American Clipper at Auckland, New Zealand from Los Angeles ^{in America} was a new step forward ^{the progress of} in civil aviation. The occasion is reported by our ~~the~~ Australian commentator.

To Britain from America, comes the Flying Boat Clare.

She carries a distinguished passenger in the person of Lord Lothian, British Ambassador to the United States. He brings us a slice of good news about America's war production to help Britain to beat Hitler.
