MR JOSEPH KENNEDY.

Mr Joseph Kennedy is returning to Washington, and our cameraman went ~~to~~ to see him before he sailed: ~~to give a pictorial goodbye to this most friendly and popular Ambassador.~~  
 He found Mr <sup>The Ambassador</sup> ~~Kennedy~~ inspecting the damage caused by a German bomb which fell close to the United States Embassy. Mr Kennedy has won all hearts since he came to London ... ~~has been a great factor in strengthening of Anglo-American friendship.~~  
 And it seems that you have won his admiration.
