ARMoured STRENGTH IN THE MIDDLE EAST.

The war in Greece has diverted for the time being our thoughts
But a heavy responsibility still lies upon Sir A.W.-C.-in-C. M.E.
of the war in Egypt. ~~But~~ that was only intended to be the passage
For Mussolini's latest invasion
to an easier triumph before the Battle-of-the-Nile to be. E Sir

~~As the Chief in the Middle East is~~
~~watching additions to the military might of the forces under his~~
It is good to know how the British
command. Britain is strong as never before in this theatre
of war on which the curtain may rise at any hour. Gallant
Greece has checked the advance on Egypt because Mussolini needed
her bases for his supplies and reinforcements. But even if Greece
had crumbled before the blast of a dictator's bellows ~~like other~~
~~dictators~~ --- Mussolini would still have this to beat

Britain's war machine in the Middle East is armed and armoured
to the last bullet and the last nut and bolt. In a war of ~~an~~
machines --- our machines are ready.
