

INTRODUCING THE BOYS FROM SOUTH AFRICA. *repeatedly*

The fighting in Africa has shown ~~clearly~~ how strong are the links that bind the British Empire. Troops from nearly every part of the great Commonwealth of Nations are scoring new victories --- so here 's a tribute to South Africa's share. These pictures show some of the men who have taken a big ~~share~~ slice of the honours in the advance from Kenya --- they're pressing into Abyssinia ~~and~~ ~~are~~ advancing towards Addis Ababa . They are hammering Italian Somaliland ---Port of Kismayu. they forced the crossing of the Juba River..... everywhere they show the skill and valour which are in the Empire tradition. Well done, South Africa ~~and~~
