

STEAMBOAT RACE.

(slow)

792

Way down South in Sacramento the river steamers are having a day out. Two old paddlers are <sup>racing</sup> ~~having a race~~ to see who wo'nt win. When two ocean greyhounds get together like this, something is sure to happen. Perhaps the wheel will come off-fancy that at nearly 10 ~~xxxxx~~ m.p.h. That's what comes of having the wheel at the wrong end.

YACHTING.

Summer is still here-- and summer is a joy to the yachtsmen with its days of blue skies, blue seas, and spanking breezes. Here are boats of ~~xxxxxxxxxxxx~~ all classes--

A picture of comely grace, and majestic splendour

(slow)→ And here's a sport if you don't mind a wetting- canoeing in canvas boats. Crowds forsake the hot ~~xxxxxxxx~~ cities for the cool beaches. Navigation is a bit of a nightmare. But what does it matter as long as we can handle a canoe or swim ashore?
