

ANOTHER SHIPYARD RECORD.

A family named Brack^umill^uer works in the famous Henry Kaiser shipyards in America. --- Father Brack^umill^uer and fifteen ~~adults~~ ^{Sons + daughters}, both boys and girls, ~~are~~ ^{helping to beat} all doing a job on the Liberty ships that are ~~beating~~ the U-Boats.

On Pay Day they all put part of their money in War Bonds.

But Mr. Brack^umill^uer has a big family of grandchildren also, and catering for a family like that means almost as great an organization as building ships. America's proud of her shipbuilding and proud of her American shipyards Brack^umill^uers, too. ~~Henry Kaiser~~ ^{even} Henry Kaiser turns out about six ships a day, but ~~he~~ ^{he} never did anything like this.
