Jersey Battle of the Flowers

Jersey - the holiday resort with the continental flavour celebrated its annual Carnival. And heading the ~~parade~~ parade of gaily-decorated floats was that rising young star - Miss Muriel Pavlow..

~~...the parade was a most successful one and the floats were well received by the public. The parade was held on the 1st of May and the floats were well received by the public. The parade was held on the 1st of May and the floats were well received by the public.~~

...
Taking part in ^{this year's} celebrations ~~was~~, was the band of the Argyll and Sutherland Highlanders.

And, in Coronation Year, there comes a link with the past - for the first Festival was held to celebrate the Coronation of King Edward the Seventh - fifty-one years ago... Throughout the years, the floats have got bigger and better - and their escorts more suntanned. What a place for a holiday - all this - and sunshine, too.

An innovation this year was the election of a "Miss Jersey Battle of the Flowers" ~~...and that is when the fun started...~~

^{As a result of the}
Flowers! So let's hope ~~that~~ some-one called a truce in time
