Sept 4th. 1953.

Experimental Plane --

Boscombe Down-/ where something new in aerial design- the Short S.B.5

Designed as an adaptable wing-research plane, to investigate problems in the handling of swept-back wing aircraft, the S.B. 5 should prove invaluable to planes engaged in supersonic flight

Ionian Isles-

Greece- where the inhabitants of the Ionian Islands- stricken by the recent violent earthquakes- are visited by King Paul and Queen Frederika- who wanted to find out for themselves the extent of their needs.

By their kindly encouragement, the Royal visitors will help the islanders to renew their quest for life and the state of t

Cycle Race-

Switzerland -- where xxxxxxxxx the world cycle championships are well under way, as over 20 international wheelers gather speed through the countryside.

This is what it looks like from a passing helicopter, as the speedsters race through the lines of that interested spectators Villages are quickly left behind-- and still they sweep on-- but now it's near - journey's end.

And it's Italy's veteran exelaxxexexexitag ace- Fausto Coppiwho's ahead of them all- Winning the most coveted honour of the cycling world - for the first time in his career
