on returning to Parliament House, the new Premier, who had held the post frum in 1948 - and represented Ireland at the League of Nations - received a great evation from his Supporters - before meeting members of his Cabinet

Rocket

New Mexico: On the White Sends Proving Grounds, a New Viking rocket is prepared for an attempt on the world altitude record for guided missiles at a speed of 4,300 miles an hour - to reach a height of 158 miles above the earth's surface...

But it's still a long, long trail to the moon...

Speedboats

Back to Paris - for an international speed boat race on the River Seine..

From a standing start - they're soon cutting a dash that makes them the envy of the boulevards.

Outboards from six countries competed. As you can see, it's a heady sport, in which as this gran happen and concerning does and seemally does

One of the home speedsters won the race. After all, as every speedster knows - you've got to know Paris - before you can travel safely round the bend...
