

The Falcon

California: First pictures of "~~the Falcon~~" the Falcon - America's newest rocket interceptor, ^{which is} ~~which is~~ carried by a fighter, until the bomber target is located on the radar screen.

Then, operated by an electronic brain, the six-foot long missile is released to track down its quarry...

Weighing only a hundred pounds - the Falcon is a deadly weapon for air defence.

Billy Graham

~~Glasgow... more than fifteen thousand people packed~~

ⁱⁿ Glasgow - more than fifteen thousand people packed ~~to~~ Kelvin Hall, when the American Evangelist, Mr Billy Graham launched his second Crusade, in Britain. ~~HE SPOKE OF REVOLUTION - BUT NOT THE KIND WE HEAR SO MUCH ABOUT TODAY.~~ ~~Sound~~

Cross-Country

Spain: At San Sebastian, ace steeplechasers of eight Nations competed ~~for~~ ⁱⁿ the International Cross-Country Championships - run over $8\frac{3}{4}$ miles...

British hopes suffered a set-back before the race when our champion, Gordon Pirie ^{fell ill -} ~~was confined to bed with a temperature...~~

No. 1 - But Team Captain, Frank Sando ^{No. 1 -} stepped ~~manfully~~ into the breach, ~~for Pirie,~~ and that, of course, meant first place.

Then, in the final stages, not only did Sando stay in front, to ~~gain his~~ ~~first major International triumph~~ - but Hugh Foor~~x~~ and Ken Norris followed him home. (3)

The team championship for England and the laurels of victory. Well, here goes!
