

Pirie wedding

Mother

London: Arriving with his ~~mother~~ and brother Peter for his wedding at Caxton Hall, was Britain's Olympic hope Gordon Pirie.

His charming bride was one of our leading women sprinters - <sup>22 year-old</sup> Shirley

Hampton - wearing a lovely gown of pink satin brocade.

~~This~~ was probably the last glimpse the crowd of well-wishers would have of the famous runner - for Gordon and his wife are making their home in New Zealand.

The happy pair drove away to the reception ~~on the field~~ <sup>in</sup> an open sports car. But the real honeymoon must wait.... Gordon has Gold Medal plans in Melbourne.
