

Operation at Sea

North Sea drama - as an East German vessel, the "Robert Koch" (known as boat" the fishing-help ~~XXXXX~~) receives an S.O.S. for a doctor from one of the fishing fleet.

Flat out - she speeds to the spot when the ship's doctor undertakes a hazardous mission - being transferred to the fishing-smack in those boiling seas.

Diagnosing the need for an immediate appendix operation, the doctor has the patient ~~transferred~~ ^{taken over} to his ^{floating} operating theatre. ~~on the Robert Koch~~

~~and~~ Later, under the protection of the Norwegian coast - the emergency operation was successful.

Japan joins United Nations

New York: The Japanese Foreign Minister, Mr Shigemitsu, was the most interested spectator at a flag-raising ceremony outside the United Nations building. For his country had just been unanimously admitted into membership of the General Assembly. Thus, Japan becomes the eightieth country to join ^{THE} ~~this~~ world council of Nations.

Duke of Edinburgh

New Zealand: Continuing his world tour, the Duke of Edinburgh came to Wellington, where his friendly informality captured every heart.

Later, at his special request, the Royal Visitor inspected the meat works at Petoni, where lambs ~~were brought, dressed and frozen~~ ^{ARE PREPARED} for export to Britain.

End.
