Flashback: Reichstag

Now here is to-day's flashback:

2/6

Germany 1933. The burning of the Reichstag. Hitler was Chancellor. His Nazi-Nationalist Government had a slender majority.

The Nazis themselves fired the Parliament building. A Dutch Communist, Vanden Lubbe was brought to trial. By discrediting the strong Communist ~~party, the Nazis increased their Government majority~~

Party, the Nazis ~~gained a stronger Government majority~~ and finally won absolute power. All other parties were outlawed. Jewish persecution and the concentration camp followed.

Hitler became a Dictator. Leading Germany into the Second World War that brought the final destruction of the ill-fated Reichstag.
