THEY LEARN UNDER FIRE!

United States Army Air-Cadets dive for cover as their own planes release harmless chalk bombs. Someone had the idea that airmen and ground crews should sample ground strafing, so they turned on this powder-bomb prang.

Chalk up a win for the ground crews; the bombers forgot to finish on a double.

TALKING OF THE DEVIL!

Many people in Italy are ready to talk of the devil who goes by the name of "GERMAN". An Italian Officer in Naples has something to say as a co-belligerent.
