**JAPS LOSE 85 PLANES.**

**A United States Task Force in the Pacific attacked at dawn by Jap Planes, pulls no punches in defence. The path of fighter pilots taking off from a carrier's deck is marked by flaming exhausts.**

**Combat pictures, automatically photographed as cameras and guns work together.**

**An official Navy record of a dramatic page in the progress of modern air combat. The Americans chalk up a score of 85 enemy planes.**

**Cruisers and Carriers and Planes - a superb combination which rapped the Jap good and hard.**
