MUTE AND TRACK NEGATIVES SYNC SOUND

ROUND THE CLOCK AIR OFFENSIVE

1, V.S. Formation of Marauders of the 9th U.S.A.F. over targets along Germany's West Wall defences. Fairly good aerial bombing of towns and marshalling yards etc.

140

2, M.S. Marauders returning to base.

14

3, V.S. Dusk and R.A.F. Lancasters taxi and take off.

24

4, Aerial shots from Lancaster of night bombing on ammunition dumps at Sable-sur-Sarthe. These are fairly good night bombing shots because the ammunition exploding gives off plenty of flare.

85
