

HONOUR FOR RICHARD TODD

For Richard Todd, Associated British star of "The Hasty Heart" it's a big moment. Anna Neagle, Bebe Daniels and a host of distinguished guests are there to see him receive the Picturegoer Trophy as Star of the Year.

To receive the Actress of the year award for Jane Wyman comes Bebe Daniels. Jane won her award in the Warner Brothers picture "Johnny Belinda," but couldn't arrive in time.

B. DANIELS

"I'd just like to say that I've been in pictures since I was $\frac{7}{8}$ and this is the closest I've been to an award."

And now Anna Neagle, who has been more fortunate than Miss Daniels, makes the presentation. The public gave more votes to Richard Todd than the second, third and fourth polled together.

R. TODD

"Ladies and Gentlemen, this is absolutely magnificent, even more magnificent than I had been warned it was going to be. I haven't got words to describe."

And that's the best testimonial - The Voice of the People.
