F.A. CUP 5th ROUND

Leyton Orient v. Arsenal

Leyton Orient - in dark shirts - kick off against Arsenal. They beat Everton and Birmingham. Now for the mighty Gunners! Jimmy Logie gets the ball. He beats two Orient men and passes. Fred Cox takes a blinder - and misses.

Lishman clashes with Brown, but the ball goes to Roper who shoots from thirty yards - and it's in, but the Ref's already whistled against Lishman so it's no goal.

Arsenal attacking but finding Orient tough fighters. Lishman forward to Logie, a flick to the centre - Reg Lewis only half hits but the ball trickles through and Arsenal are one up.

Arsenal again. Roper centres to Cox. Freddie nods down to Lishman. Welton comes out but Lishman's shot beats him and it's Arsenal two, Orient nil. Cox is hurt but he's all right, but Reg Lewis has a strained muscle as they resume after the interval. Now it's an Orient attack. The ball goes to Blatchford on the left wing. He's up against international Barnes but he's beaten him and centres. Daniels is there to intercept and it's a corner.

Blatchford takes the kick but it goes behind - third time he's done that this match.

Swindin runs out to collect but Blatchford bowls him over. The Arsenal players don't like it but Tommy Brown runs over and with Joe Mercer helps to smooth things over.

Here comes Roper again. He centres into the goal-mouth. Welton drops the ball. Lishman seizes his chance and Arsenal win three-nil and march on to meet Luton next round.

Portsmouth v. Doncaster Rovers

Doncaster Rovers kick off at Fratton Park against Portsmouth (white shirts) and it's clear pretty soon that Pompey are in form, which means trouble for Doncaster. The two teams have only met once before. And here's Harris beating Doncaster skipper Miller. He's bang on form. His snap goal 30 seconds after the start put Pompey one up. From the scramble the ball is cleared to Deharty.

Doncaster centre Harrison is out on the wing ... and he centres. The Rovers are pressing to equalise but Butler saves. Here's Tindill with a chance - but Butler saves again.

Secular heads upfield (whose side is she on?) and Pompey are away. Harris is playing a sterling game. The Pompey winger sends over a perfect centre and Phillips scores to put Portsmouth two up, and that must be the end of Doncaster's hopes.

Portsmouth are on top of the world ... they don't know they're up against cup-holders Newcastle in the next round. Kicking off two up in the second half, they pile on the pressure to make sure.

And here's Gaillard - he's always dangerous. He centres, but the ball is headed away. Henderson fails with an overhead shot and Harris flashes in a shot but Hardwick punches clear.

Phillips to Mundy ... Mundy kicks ahead and Pompey are off and it's Harris again.

It's all Portsmouth now. Doncaster have played a gallant game but Pompey are much too strong. A centre from Henderson and Gaillard slams in the third goal.

Two minutes later, Secular's free kick drops into the Doncaster goal area. Doncaster-back Rouse heads and it's in the net to give Pompey their fourth goal. A little later, referee Clough stops play. Doncaster's Captain David Miller is ordered off as Secular writhes on the ground. But though now only ten men, Doncaster hold on and there's no more scoring despite being one man short.
