Lion and Puppies

Years ago the lion "NEGUS" was brought up by the boxer-dog "DAISY". He has never forgotten the care and the good milk of his foster-mother and even now he is in all respects one of the family.

"NEGUS" enjoys playing with the five little boxer-whelps. A touching animal friendship has developed beyond and any restraints or barriers of race. There is only harmony in the family circle and the puppies enjoy themselves until they fall asleep.
