TOBOGGAN RACES

32,8 metres

In the idyllic Bergesgaden area near the Königssee a thrilling International Toboggan Week was opened. 48 participants contested for the cup.

The 1,100 ms. track was most trikey and many of the sled-aces from Austria- Italy - Switzerland and the Federal German Republic ended in nasty spills.

Josef Lenz from Königssee won the event with a margin of 8/10th of a second.
