DRAGONS 1.

START: International Dragon class yachts from New South Wales, Victoria, South Australia, Tasmania and Western Australia start in the first heat of the Prince Philip Cup on Sydney Harbor. But the weather's completely against them..... there's not a breath of wind.

BUOY: As they round the buoy the yachts hoist spinnakers..... but the sails just flap.

YACHTS: There's a big field, but they'll NEVER get home at this rate.....so the heat's called "no race".

START: It's a different matter later in the week, and the Dragons are off to a flying start. Adios, with three heats already won, seems unbeatable.

NO. 64: Number 64 is Alinta from Tasmania.....

NO. 71: and there's Norman Booth's Adios.....number 71.

YACHTS: They're well strung out, but way ahead of them is Adios sailing for her fourth win in a row. It's an Australian record, and Adios will represent Australia in July for the English championship. Let's hope that once again she'll say "Adios" to her rivals!
