and the visit to the Castle in the afternoon.

Thursday 17th May:

Coverage required at the Dinorwic Quarry and Bryncir

Bring negative back to Denham on Thursday night.

You will have a seat in car in the Royal Procession. Please don't relax as coverage is for Pathe only. they are super-critical of our coverage. Try and establish a general view at each location, if you haven't time to use a tripod, make sure the shot is rock steady.

Get plenty of crowd cut-aways, but don't be tempted to shoot too much from the moving car as it is usually ruined by distortion.

Please board all locations and careful dope please, with a copy for Pathe.

Room booked at the Royal Hotel.
