(4). TITLE:- TWO HEADS -

Picture:- Two heads are better than one - so they say. XXXX
Therefore this amazing fellow should be--

--king of his kind ! XXXX There's not another like him, so
far as anybody knows ! XXXX

The only trouble is that often he can't decide which--
--way to go ! XXXX If he could put his two heads together
he could perhaps make up his mind !

If tortoises have headaches, this one's unlucky ! XXXX
It proves that two--

--heads are not always better than one - so the tortoise
"taught us" !!!
