

MERSEY BOAT RACE - Cadets of H.M.S. Worcester  
win gruelling race from rivals of H.M.S. Conway for  
fourth year in succession. Off Birkdale.

---

Picture.:- John Masefield, Poet Laureate, was a cadet  
on H.---

--M.S. Conway. So it is fitting that he--  
--should compliment the boys by his presence to-day.

This Mersey race between boats of the Conway  
and Worcester is an event of importance to the  
Cadets. The six oared whalers--

--weigh nearly three quarters of a ton, and to  
pull them at--  
--top effort for two miles is a gruelling experience.  
The WORCESTER--

--boat which has already won the race for three  
successive years has again secured the victory--

--over the CONWAY, and the next job is to--

--acknowledge it. The Shield Trophy is presented  
by Mrs Richardson,--

--wife of the CONWAY'S Captain which--

--along with the Mersey Cup is the winner's spoil !
