

"PIPING" TIMES! - - Latest fad for women spreads "like smoke"  
throughout eastern America. New Jersey.U.S.A.-

Picture.:- America is going 'all peculiar' ! Even more--  
--so than usual !

The pipe making business is booming, and--  
--it's all the fault of the girls ! Not content with wearing  
breeches,--  
--stiff collars and eton crops, they're now taking--  
--to pipe smoking. Everyone is--  
--doing it because everyone else--  
--is doing it. They're not--  
--buying a present for father, just a nebbly--  
--briar for themselves. This fad offers a great chance--  
--for some new reform--  
--clubs. "Society for the Extinguishing of pipe smoking--  
--Nuisances in Skirts and Public Places.", followed by--  
--"Society for the Protection of--  
--"Blonde Briar Biters". Newspaper columns--  
--will soon include hints for--  
--girl pipe smokers. An old juicy briar--  
--put in your drawers amongst--  
--the clothes will effectively destroy moth. Ah well !  
It will--  
--stop that complaint about--  
--the smell of the drawing-room curtains !
