SOMETHING NEW (Number 5)

This time it is

an air to the busy housewife in providing for a chance guest.

-London-

---

Picturd. :- When a friend of your giddy youth arrives on a chance visit, a late session--

--is indicated. If you have no spare room, it's a nuisance, but if you have a--

--disintegrating chesterfield, all is well. Instead of turning the poor girl back into the cold street, you offer her a warm bed,--

--which is just what she thought you would do, anyway.

Two minutes, and the bed is ready to--

--receive the unexpected - pest - - guest. An operation on a pet pup, with a convenient stomach reveals night--

--attire. If there are two people, it's just as easy ! The bed's broad. That's all, thank you.
