PUBLIC SCHOOL SPIRIT - - The 53-years-old Wilson  
Cross-Country run at Serbergh School filmed for the  
first time.

-Yorkshire-

---

Picture.:- The cross-country run performance of boys of--  
--Sedbergh School frequently equals those of runners whose  
names are well-known in the athletic world.

There go Donald and Dorman, leading the field easily.  
For--

--fifty-two years this run has been a--

--feature of the school sports, and has stimulated many--

--students to excell in feats of this kind. This is the  
first time the run--

--has been filmed. The rough patches--

--of the course require stamina, and for wearing out  
shorts, there's little to beat this mud slide.

Somebody said the end was ragged, but he didn't  
say which end ! D.A.--

--Donald and S.H.Dorman maintain their lead, and--

--with A.C.Bruce third, make a fitting finish to  
an excellent school fixture.
