

Wycombe Wanderers kicked off in the Final of the F.A. Amateur Cup at Wembley Stadium --- and the job they had to do was to beat a side with a reputation for being well-nigh unbeatable. It's Bishop Auckland in white shirts and dark shorts; and they were the first to score --- through Russell.

After nearly forty minutes, Wycombe replied with the equaliser from outside left Smith.

But immediately Bishop Auckland were on top again with a goal from Lewin.

N Near the end of the match, Bishop Auckland clinched their victory with a third ~~goal~~ goal scored by Bradley.

And that made Bishop Auckland ~~amateur footballers~~ winners of the Amateur Cup for the third year running.

Now to Madrid --- where a hundred and thirty-five thousand spectators, watched the meeting of their home team with Manchester United in the European Cup semi-final. The crowd was ~~xxxxxx~~ treated to a lot of fancy football but there was no score until the ~~xxxxxx~~ second half was well on its way.....and then Madrid went one up.

After Madrid added another to make it two - nil, they were pulled back to two - one by a header from Taylor.

But the Spanish side had not finished yet; the fourth goal of the match was scored by Mateos.

So it was a victory for Madrid over the F.A. Cup Finalists --- by three goals to one.
